

How to get Started

1. Call or e-mail us so we can schedule a meeting to review your needs. We will completely go over your project.
2. Preliminary quote will be submitted with sketch and materials to be used.
3. After review of quote, an Agreement to purchase is made to continue with project.
4. Engineering drawings using a CAD 3-D system will be made to check for sizes and dimensions as required.
5. Final review and acceptance of Agreement.
6. Down payment for supplies and materials will be required to start work.
7. You will be kept informed of the status of your custom project as required.

Entertainment Centers built for your TV

About Us

Hoove Designs is a family owned and run business. David, Jane and Brian Hoover started the custom designed and built woodworking business to serve customers that demand superior craftsmanship and have a unique need that can not be found in a traditional furniture store.

Outdoor Furniture

No Job too small!

- ✦ Need help with those complicated store bought furniture sets that require assembly, staining, or finishing?
- ✦ Don't have the time or patience to read instructions?
- ✦ Does the furniture need changes for your needs?

Call us today!! !!!

Garage shelving units

Custom routed trim
